Notes:

LODGING Reservation/Cancellation/Refund Policy

Lodging reservations require a 50% deposit that is collected and applied on a per night basis. The balance is to be paid upon check-in. If cancellations are made more than 60 days before your reservation date, a full refund of your deposit less a 5% of reservation service charge will be returned to you. If cancellations are made 30 to 60 days of your reservation the deposit will be applied to a future trip later that year or the following season. If the cancellation is made within 30 days of your reservation, the deposit is forfeited. We do not ordinarily issue cash refunds for cancellations made within 60 days of your reservation. We operate in all safe weather and water conditions, therefore inclement weather or water is not a reason to cancel or receive a refund. Failure to show or failure to cancel in a timely manner will result in your being liable for the entire cost of the reservation and our resultant collection of that amount from you. All reservations and rentals are secured with a valid credit card.

Please be certain of your Check-In Date and Check-Out Date as charges are applied on a *per night* basis. Travel insurance is recommended on extended trips.

Check-In Time between 1:00pm and 7:00pm. Check-Out Time is by 11:00am.

Some of the Lodging may have special policies set forth by their individual owners. (i.e. Minimum stay length, special deposits, Montana Bed Tax in addition to their nightly rate, etc..) Those policies will be listed in the "Rates" section of their listing on our Lodging section on our website. Some rates may change throughout the year but once you are booked for a lodging, your rates are locked in at the price at the time of reservation. (Unless the price drops, in which case you will pay your balance on the lesser rate.)
